AGENDA

TAF Status
- Functional tests:
    - Non-Security **606** tests - All pass
    - Security **607** tests - All pass
- Integration tests:
    - Non-Security **113** tests - All pass
    - Security **114** tests - All pass
- Performance tests:

- ○ Non-Security **10** tests - All pass
- ○ Security **9** tests - 1 failed by "13 times that response time is over than 100ms when ping core-command" error

QA Progress

- **QA progress:**

  1 failed by "13 times that response time is over than 100ms when ping core-command" error for performance test

  <mark>Under Review</mark>

  [edgex-taf #848](#) Update scripts for connecting secure MQTT to Commands via messaging

  <mark>IN PROGRESS</mark>

  [edgex-taf #850](#) Test CORS support

  [edgex-taf #851](#) Test running with multiple device services of same type

- **Issues and PRs for failed tests**

  None.

Core Progress

<mark>DONE</mark>

- Several docs are refined and fixed.
- Update http handler functions and middleware to use general signature [#572](#)
- Add utility function to wrap http handler into Echo signature [#575](#)
- Add POST /secret API for core-command [#4585](#)
- Add new API route constants with path params for Echo [#845](#)
- Fail to generate token when username contains '_', like device-modbus_1 [#4621](#)

<mark>IN PROGRESS</mark>

- [edgex-go] Replacement for Gorilla/MUX package [#4247](#)
- [edgex-go] Scan and replace use of pkg/errors module with errors [#4602](#)

<mark>NEW ISSUE</mark>

- CORS configuration isn't overriden by environment variable [#578](#)

- No CORSConfiguration section under security-proxy-setup [#1183](#)
