Old Business

1. System Management Service
   a. Kanban Review (https://github.com/orgs/edgexfoundry/projects/29)

Should there be issues related to the CLI tracked as part of the SMA Kanban?

Items to Follow Up

1. CLI Review Follow Up (Alex, VMware / Mike, Intel)

Alex still working on review comments

Integrating service clients via go-mod-core-contracts

By next week should have a PR, will tag Mike J and Diana for review.

2. EdgeX-specific system-wide metrics follow-up (Jim White, IOTech)
   a. https://github.com/edgexfoundry/edgex-docs/pull/97

General notice that PR is available for review.

New Business

1. Other new business?

No new business
