

Certification WG Meeting

February 4, 2019

LF Antitrust Policy Notice

EdgeX Foundry meetings involve participation by industry competitors, and it is the intention of the Linux Foundation to conduct all of its activities in accordance with applicable antitrust and competition laws. It is therefore extremely important that attendees adhere to meeting agendas, and be aware of, and not participate in, any activities that are prohibited under applicable US state, federal or foreign antitrust and competition laws.

Examples of types of actions that are prohibited at EdgeX Foundry meetings and in connection with Linux Foundation activities are described in the Linux Foundation Antitrust Policy available at <http://www.linuxfoundation.org/antitrust-policy>. If you have questions about these matters, please contact your company counsel, or if you are a member of the Linux Foundation, feel free to contact Andrew Updegrove of the firm of Gesmer Updegrove LLP, which provides legal counsel to the Linux Foundation.

Meeting Logistics

Today's Agenda

- Our Charter
- Introductions
- Getting Started - What are the benefits of a certification program?
- Meeting time/schedule

Certification WG Charter

- Define and document what elements of EdgeX can be certified
- Define and document the process of EdgeX certification; namely what steps parties wishing to certify an element must go through and the success criteria in each step in order to achieve certification
- Build and manage any evaluation tools or automation associated to the certification process
- In consult with the EdgeX marketing work group, communicate and promote EdgeX certification
- On behalf of the EdgeX TSC, officially certify elements and bestow the privileges of that certification (example: authorized the use of the EdgeX Certified label)
- On behalf of the EdgeX TSC, manage the certification process including requests, renewals, revocation, and maintaining a list of certified elements

Introductions

- Name
- Company
- Involvement with EdgeX - what? how long?
- Interest in Certification - low, medium, high, extreme?

Why do we want a certification program for EdgeX?

Why do we want a certification program for EdgeX?
