New business

Walked through the Project Specification doc that has been created in Google docs. Lots of discussion around the content with new ideas added.

Actions:

- Everyone to review the doc and add their comments.
- Andy will start working on identifying existing test tools that may be available for use.

Adjourned 7:55am PST

Next meeting will be Mar 11 at 7:00am PDST. <<- Note US daylight savings time!

Respectfully submitted,

Randy Thompson
