

# Device and Device SDK Working Group

## Notes for June 1 2020

### Updates

- Go SDK issue #532
  - Addresses a performance regression where Consul would be polled at too high a rate
  - Will wait for go-mod-bootstrap #76 to be fixed before cutting v1.2.2

### LLRP RFID Device Service

- Presentation from Sean Williams of Intel.
  - Intention to contribute a Device Service and two App Services to support RFID readers
  - Functionality will include autodetection, reading RFID tags, reading sensor status, and applying configuration
  - Expect initial delivery mid/end July
  - We shall create a -holding repository for the Device Service
    - Post-meeting note: Jim has made the request for the new repo
