- Security – Jim to talk Bryon
 - EdgeX Ready
 - Wiki update/ v2 profiles
 - Hackathon
 - Tech talks
 - Events (face-to-face)
 - Fall
 - Open Source Summit (end of June) – ½ day workshops
 - Probably not critical mass
 - ONES – November, Seattle
 - OSS Europe workshop
 - Jim to organize events planning effort at next meeting
- Hackathon
 - Status of PRC Hackathon
 - Probably not going to align with US/Europe plans but perhaps we could coincide a live event in the fall
 - On the agenda to discuss and come to some conclusion on by next meeting
- LF Edge Whitepaper
 - Need input from EdgeX community in next 2-3 weeks
 - Paper being made available on the wiki
 - Pages 9-11 are pages of focus
 - Provide inputs to Henry Lau (HP)
