See [EdgeX Developer Badges](#) for full details of using the badges and assigning them to your profile etc

Badges and Their Description

#	Name	Image	Description
1	BugHunter		The bug hunter badge is earned when the member completes two or more Issues that have the bug label().
2	BugHunter		(this is the same as above but without text, we should only use one)
3	BugHunter V2		(this has the octo-bug, marketing had some issues with this, we probably should use #2)
4	BugHunter V2		same as #3 but no text
